

PRESS RELEASE – BANGOR MAIL / GORIAD / SCHOOL WEBSITE

The Ysgol Friars Climbing Club has had a fantastic year, regularly training at the Indy Climbing Wall with support from 5x60 Sport Development we were winners of the North Gwynedd Schools Bouldering Competition, held at the Beacon Climbing Centre and members of the winning Gwynedd Team in the North Wales Schools Bouldering Competition.

Some pupils from the school have gone on to further successes, Kieran Forrest being selected for Team GB, Finn Hayward Team GB Development Squad and Ruby Wood, Maisie Guilhem, Glesni Williams and Tom Healy members of the North Wales Young Climbers Academy.

With the support from Magnox we have been able to purchase bouldering mats and first aid kits that have enabled us to climb outside and explore Snowdonia and beyond, including a successful trip to the climbing mecca of Fontainebleau, France. The successful application and financial support received from Magnox has allowed us to achieve our goals and offer more opportunities for young climbers; the future of climbing at Ysgol Friars is looking strong.
